COMLEX-USA Level 1 Score Report

The Comprehensive Osteopathic Medical Licensing Examination (COMLEX-USA) series is designed for use for all applicants for osteopathic medical licensure. COMLEX-USA consists of three progressive levels. Passing Level 1 indicates that the candidate has demonstrated competence in the foundational biomedical sciences and osteopathic principles and related physician competency domains for osteopathic medical care of patients as required to enter supervised patient care settings and to continue lifelong learning. Your result for **COMLEX-USA Level 1** is reported below.

Result: **PASS**

Result: The result indicates the pass/fail decision based on your examination performance. Passing COMLEX-USA Level 1 is solely based on achieving an overall standard score of 400 or higher. The standard score of 400 reflects the minimum passing level recommended by the NBOME for COMLEX-USA Level 1.

This candidate score report does not constitute an official transcript.
Only official transcripts from the NBOME should be used for primary verification of
COMLEX-USA performance.
